

D&D Automation is a controls integrator located in Stratford, ON. We are a leading-edge company that designs and implements PLC based control systems for industrial machinery, manufacturing lines, process environments and other automated facilities globally with a focus on local business. D&D Automation is an employee focused company. We take great pride in having a dedicated and engaged team that continuously strives for excellence. Our company supports creativity amongst all employees and provides a culture of innovation.

## **Position:** Controls and Automation

---

### **Position Overview:**

We are currently recruiting for various Controls and Automation positions to be responsible for automation and control system design, specification, programming, simulation, testing and start-up assistance. Individuals will fully support the D&D Vision and Goals and fully participate and contribute to the D&D team.

### **This position will:**

- Carry out duties and projects as assigned by Senior Staff
- Deal directly with customers and suppliers
- Provide direction, coaching and mentoring of students and junior staff
- Uphold safe work practices and participate in developing and maintaining a culture of safety
- Ensure effective communication with team, management, customers and suppliers
- Watch for and report business and marketing opportunities
- Submits required paperwork timely and accurately

### **Minimum Qualifications:**

Candidates must be a graduate of Electrical Engineering Technology, Robotics and Automation or a related diploma program or have a degree in Electrical Engineering with a minimum of 3 years' experience in resource and project management in the industry.

### **Why be part of the D&D team?**

- We've been around for 25 years and we're an awesome team to work with!
- Voted one of Canada's Top 100 Small & Medium Employers
- Commitment to education, our community and giving back
- Competitive Group Health Benefits packages
- Group RRSP plan
- Profit Sharing
- Employee Events/Social Program
- Amazing Corporate Wellness incentives, gym discounts
- Open and engaging teams

### **Travel:**

Travel will be required for this position. The applicant **must** have valid and up to date Canadian Passport.
